CBM

Certificate in Business Management

Certificate in Business Management (CBM) programme is designed specifically for students who are working and wish to pursue a pathway towards higher level academic studies at the university degree level. CBM provides the perfect foundation for students to complete a degree in management by enabling them to acquire the basic knowledge and skills in the core functions of Business Management.

Programme Outline

- **Business Organisations and Environment**
- **Concept and Process of Marketing**
- **Behavioural Aspects of Organisations**
- **Elements of Accounting**
- **Business Communications & Academic Skills**

Progression

On successful completion of Certificate in Business Management (CBM), students will be able to progress to the Graduate Diploma in Management.

“The course has contributed to both my professional and personal development”

Romesh Colambage
GDM student

“ The amazing student support and guidance at BMS has made my experience while studying for CBM more enjoyable ”

Sabeetha Ruwanmali

GDM student
